Dear neighbour,

### **Newquay station**

We wanted to let you know that we'll soon begin working at Newquay station as part of the Mid Cornwall Metro project.

Our teams will be on site from **Tuesday 13 August** until **Monday 28 October**, working from **8am to 5pm**. We will also occasionally be working overnight between **11pm and 7am**.

The work begins our project to restore a second platform at Newquay to bring more trains to the town. From May next year, trains will leave Newquay every hour, start earlier in the day and finish later. When Mid Cornwall Metro is complete in 2026, direct trains will run from Newquay to Falmouth. For more information visit [midcornwallmetro.com](http://midcornwallmetro.com).

While we work, there will be fewer car parking spaces available at Newquay station. We're sorry for any inconvenience.

The nature of our work often means some noise is unavoidable. We're aware we will be working close to your home and will try to minimise this as much as possible, but we're sorry if we do disturb you.

I hope this information is helpful but if you have any questions, there are several ways to contact us, by calling our dedicated 24-hour National Helpline on 03457 11 41 41, visiting [www.networkrail.co.uk/contactus](http://www.networkrail.co.uk/contactus) or scanning this QR code with your phone for more information about living by the railway.

Yours faithfully,

**Danielle Cole**
